

Help *Littlemore* to support Kiwi families to nurture their babies and keep them warm and safe

Donate your pre-loved baby items to Littlemore

Thousands of babies are welcomed into New Zealand every year with little more than a hospital gown to clothe them. Littlemore accepts community donations of high quality pre-loved (and new) nursery furniture, clothing, bedding, capsules, prams, books, toys, nappies, accessories and more, suitable for babies aged 0 – 12 months.

Your donations are distributed to midwives, social workers and social service agencies in Auckland, who directly pass them on to all the little ones in need.
